1. A Branch needs to be a legislative body, at national, state or provincial Parliaments, or Legislatures of dependent territories. The Presiding Officers of Legislative Chambers are normally the Branch Presidents, while the Leaders of the Parliamentary parties are Vice-Presidents. The Clerk or Secretary General of the Legislature usually acts as the Secretary of the Branch. Every Branch is autonomous and the affairs of most branches are managed by an Executive Committee, elected annually by Members and usually representative of all main parties or groups. Many branches require their Members to pay an annual subscription and permit Members to apply for associate status on ceasing to belong to the Legislature.

2. CPA Branches are currently grouped geographically into nine Commonwealth Regions for representation on the CPA Executive Committee and for the organisation of regional conferences and seminars on parliamentary practice and procedure. The Regions of the CPA are: Africa, Asia, Australia, British Islands and Mediterranean (BIM), Canada, Caribbean, Americas and Atlantic (CAA), India, Pacific, South-East Asia.
4. Following the invitation to the Conference by Ms. Gladys K. T. Kokorwe, Ph., (MP), Speaker of the National Assembly – Botswana and President of CPA Africa Region, the Rt. Hon. Martin Ngoga, Speaker of EALA nominated Hon. Dr. Anne Itto Leonardo to represent him to the August Conference. Lessons Learnt

14. The East African Legislative Assembly needs to appreciate that the National Parliaments, Provincial, State or Territorial legislatures of member countries of the Commonwealth on the continent of Africa including members of other regional bodies such as Pan African Parliament (PAP), Inter-Parliamentary Union (IPU), Southern Africa Development Community-Parliamentary Forum (SADC-PF), East African Legislative Assembly (EALA) and Economic Community of West Africa States - Parliamentary Forum (ECOWAS-PF) are at different stages of integration which makes it imperative for us to benefit from one another through peer learning as a way of building national and or regional capacities as a basis for a sound and viable continental integration.

15. To this effect, the achievements registered by the 149th CPA Africa Region Conference held in Gaborone, Botswana under the theme titled: "the role of African Parliaments in fostering national and regional security", provide us (EALA) with a learning experience in terms of best practices that can be emulated in our region.

16. On the other hand, the delegation also shared the achievements so far made by EALA as a regional parliament with full legislative mandate whose laws take precedent over similar national laws in the agreed areas of cooperation. This notwithstanding, there are still many challenges we have to overcome as we strive to further strengthen our National and or Regional Parliaments, Provincial, State or Territorial legislatures of member countries of the Commonwealth on the continent of Africa. Hence, the need for the Assembly to continue sending delegations to the CPA Conferences.

Conclusion

17. At the conclusion of the 49th CPA Africa Regional Conference in Botswana, Rt. Hon. Justin B. Muturi, MP, Speaker of the National Assembly of the Republic of Kenya was elected as the new Chairperson of the CPA Africa Region in succession of Hon. Lindiwe M. Maseko, MP (South Africa). The new CPA Africa Chairperson was nominated by the Deputy Speaker of the Parliament of Zambia, Hon. Catherine Namugala, MP and was seconded by Hon. Kabiru Mijinyowa, MP, Speaker of Adamawa Region in Nigeria.
