

EAST AFRICAN COMMUNITY LAKE VICTORIA BASIN COMMISSION SECRETARIAT

LAKE VICTORIA BASIN KNOWLEDGE MANAGEMENT PROJECT

Sr. No.015

Introduction and relevance to the Protocol and LVBC Strategic Plan

The project is designed to support the implementation of the provisions of the Protocol for Sustainable Development of Lake Victoria Basin and the Development Objectives of the Lake Victoria Basin Strategic Plan 2011-2016.

Article 24 provides for the exchange of data and information among Partner States and other stakeholders as a means for conducive environment of advancing the sustainable development agenda in the Lake Victoria Basin.

Development Objective 2 of the Strategic Plan 2011-2016 provides for the enhancement of cooperation between LVBC, the EAC organs, institutions and Partners establishing sustainable mechanisms of partnerships/collaborations.

Project Rationale and Preparatory Studies

- i) The Lake Victoria Basin Commission Knowledge Management Strategy;
- ii) The Lake Victoria Basin Commission proposed Knowledge Management implementation plan.

Specific objectives

- i) To improve the gathering, storage and sharing of knowledge amongst key actors in the Lake Victoria Basin; and
- ii) To ensure that critical policies and decisions on sustainable development in the Lake Victoria Basin are informed by knowledge in and outside LVBC.

Expected Results

- i) Policies and decisions on Lake Victoria Basin evidently informed by knowledge in and out of the commission;
- ii) A high level of efficiency in Knowledge management at LVBC.
